**OCTOBER 9th TOWN MEETING
PRINCE GEORGE'S COUNTY GOVERNMENT
PRESENTATION ON EXPLOSIONS**

Prince George's County will be making a major presentation of the data and information accumulated over the past six months about the explosions that have been plaguing significant parts of Cheverly for years. They will also be explaining the next steps to be taken in this investigation which includes monitoring the explosions with cameras/recording devices that have been installed at the Tuxedo-Cheverly Fire Station. Our thanks to Senator David Harrington for sponsoring these meetings and to Councilmember Micah Watson who has been involved from day one.

If you are one of the many homeowners whose foundations have been rocked or who have been shaken awake in the middle of the night---I urge you to attend.

I also urge that all residents who experience an explosion to report it to the Town Office at (301) 773-8360. Please call with the time, date and your address. This information is absolutely vital in determining and proving the source of the explosions.

Starting October 1st, on a daily basis, the Town will be notifying the County of the occurrence and location (based on the address of the resident reporting the disturbance) of any explosions. This will continue for at least a year. Since the Town has been holding these meetings on the explosions this year, as has been the case in the past, the frequency and intensity of the explosions has diminished---almost to the point of disappearing. While this has been a welcome relief, it does complicate gathering the information for the investigation. It also makes it more important for every resident to call every time there is an explosion.

The information, data and maps that the County presents at the Town Meeting will be in next month's newsletter.

**Columbus Day
Monday,
October 13**

**Town Offices Closed
No Trash Pickup**

The FALL

FLEA MARKET sponsored by the Recreation Council, will be held on Saturday, **October 25th from 9:00AM to 2:00PM** at the Community Center. Tables are \$15. Call **Barbara at 301-773-5883.**

There will be plenty of bargains, good food and fresh baked goods for sale.

See you Saturday, October 25th, rain or shine, event is indoors!

NEW RECYCLING PROGRAM FOR ELECTRONIC DEVICES FOR CHEVERLY RESIDENTS

Director of Public Works Juan Torres has outlined an innovative new Cheverly recycling program elsewhere in this newsletter. This program is a significant benefit and convenience for Cheverly residents and also terrific for the environment. Please read the details in Mr. Torres' article.

For years, unlike most municipalities, Cheverly Public Works Department picked up computers, televisions and similar devices on special trash days. Public Works accumulated these devices until there was enough to make a special trash run to the County recycling facility. Several months ago, when the Town staff tried to deliver a load at the County's Brown Station facility, they were told they would no longer be able to make these runs. It was explained that only individual residents would be able to recycle electronic devices—a major inconvenience for residents. In a time of record high gasoline prices, it also seemed very inefficient for individual cars to be making multiple trips to the recycling facility instead of one infrequent trip by Town staff. With the expected influx of televisions that will be out of date next February and therefore being disposed of, the timing was particularly unfortunate.

Councilmember Mike Callahan discovered a company that would, at no cost to the Town, accept all these appliances, TVs and computers. The Town signed a contract more than a month ago and Mr. Torres has, as he always does, made it work. He has whole heartedly embraced this project as he has always initiated and supported recycling. His staff will accumulate the appliances and pack them up for shipping and recycling in accordance with the contract. Cheverly has always been a Town that recycles. Thank you Mr. Torres!

HALLOWEEN PARADE AND PARTY

The annual Halloween Parade and Party, sponsored by the Recreation Council will be on **Saturday, November 1st at 11:30AM.**

The parade will start at GAST PARK at 11:15AM and proceed down Parkway and up Forest Road to the Community Center. Parents are invited to come in costume and join in the fun!

There will be crafts to make, ribbons and lots of goodies for everyone. We'll need volunteers, so if you can help call Barbara at 301-773-5883.

Message from the Chief

Buddy Robshaw (policechief@cheverly-md.gov)

Cheverly Public Safety Day – Thank you to everyone who attended the PSD. It is the sincerest hope of the Cheverly Police Department that everyone had a good time, enjoyed the food, and enjoyed the opportunity to meet with your police officers, your neighbors, and your friends. A special thanks goes out to all of our sponsors, especially Outback Steakhouse of Largo, and our local law enforcement partners.

The “Cheverly Watch” Program – The Department is still waiting for the issuance of the FCC license for the more powerful radio system and the final installation of the repeater system that will allow all radio users to transmit and receive information efficiently. In the very near future, all Town residents who have signed up for this program will be contacted about a training date and the issuance of the portable radios. The Department is prepared to obtain additional radio systems, if necessary, to accommodate all residents who want to participate.

Vehicle Donations – You can donate your used vehicle to the Town of Cheverly and receive the same tax ramifications as any other charity. Recent vehicle donations enabled the police department to purchase new duty weapons, Tasers, radar units, and to help subsidize the “Club” vehicle anti-theft device program. Donations help supplement the equipment inventory that keeps this Department on the cutting edge.

No Solicitation Allowed in Cheverly – Absent a business license issued by the Town of Cheverly, which is unlikely, there is no door-to-door solicitation allowed within the Town limits. This license must be displayed prominently and the Town Code says any solicitor must show this license upon demand of any resident. Please report any violations promptly to the Department and give a good description of the violator.

October 31 is on Friday this year.
“Trick-or-Treating” is from 6-8PM for children up to the 8th grade or 13 years of age. If you want kids to come to your house **turn on your porch lights.**

SAFETY TIPS

- ✧ Only go to houses with the porch lights ON.
- ✧ Go trick-or-treating in groups.
- ✧ Children under 12 should be accompanied by an adult.
- ✧ Carry a flashlight.
- ✧ Wear reflective, highly visible costumes that do not restrict vision. Makeup is suggested, rather than masks.
- ✧ Walk on sidewalks and cross the streets at corners.
- ✧ Stay out of the streets as much as possible.
- ✧ DO NOT go inside stranger’s houses.
- ✧ DO NOT eat candy until it is inspected by an adult.

HAPPY HALLOWEEN

Hear ye — Hear ye

The wait is over – the Mayor and Town Council proudly announce that electronic recycling is now another free citizen service that public works will provide to all

in Town. Beginning on October 8th, 2008 and every Wednesday thereafter the Town's recycling crews will identify the electronics found at the curb and after the collection of comingled materials they will go back and collect the electronics placed by residents for recycling.

The electronic equipment placed at the curb for recycling may entitle its owner to a tax deduction. The Tax deduction form can be found on the Town's website.

Here is a partial list of the electronics that the crews will collect:

Cell Phones – Calculators – Computer equipment
CD and DVD Drives – Audio Visual equipment – PDA's
Televisions – Scanners – Cameras – Printers – Copiers
Fax machines – Hard Floppy drives – Monitors –
Mainframes /Servers – Game boys – Modems –
Circuit Boards – Play Stations – TiVo's/ Xboxes

Please ensure that all equipment placed for recycling does not contain personal data. Erase and/or destroy any and all data from the memory of the equipment. The Town and/or its recycling partners shall not be held responsible and/or liable for any personal information allowed to remain and/or found in the memory of recycled electronic equipment.

However, just in case here are other alternatives to the Town's electronic recycling service.

If the stuff works.

The Cristina Foundation accepts donations of working electronics or needing minor repairs in all 50 states and distributes the electronics to schools. For more information visit, www.Cristina.org

Donate working electronics at a local school –church – or even the Red Cross. You may also go to www.Computers4Kids.net or find a list of possible recipients at www.EPA.gov/e-cycling/donate.htm

If the stuff does not work:

Community Colleges and technical schools often accept electronics that do not work and give it to students to practice taking them apart.

Visit www.gcycle.org type your zip code and it will give you a list of places in your area to take your broken and discarded electronic equipment Cell phones can get you some cash.

Visit www.cellforcash.com or simplysellular.com to find out how much your old cell phone is worth if you chose to sell it. If you have other places that can help the citizens re-use – get cash and/or recycle their old electronics please let the department of public works know and we will share with your neighbors your electronic recycling information nugget. And if you have any questions regarding the Town's Wednesdays - free – at the curb electronic recycling collection call us at 301-773-2666 between 7:30am & 4:00pm Monday through Friday except Federal holidays.

CHEVERLY LAUNCHES GREEN INFRASTRUCTURE PLANNING PROCESS

Submitted 9/19/08 by RJ Eldridge

In April 2008, the Cheverly Town Council passed a resolution to establish a green infrastructure map and plan for the town. Local residents had the opportunity to provide initial input into a Cheverly Green Infrastructure Plan at Cheverly Day on May 17, during presentations on the plan and the mapping process. In June, the Town Council designated a steering committee to continue the effort and manage the process to produce a plan for presentation in mid to late 2009.

The mission for the plan is to preserve, conserve, restore and sustain the natural environment of Cheverly and surrounding areas as an intact and healthy ecosystem through a community participatory process that balances the fulfillment of human needs and protection of the natural environment. The plan will help guide future development, redevelopment, and investment policy decisions in a proactive and sustainable manner within and around the Town of Cheverly.

The steering committee includes ten members representing a broad spectrum of Cheverly community groups and constituencies. A subcommittee on outreach and education has been established to coordinate opportunities for engagement of local citizens and organizations to ensure that the final plan is well-informed by community input. The first public education and participation workshop will be held for November 12. Details will be announced in the November newsletter and via the Cheverly Cable TV channel.

Additional subcommittees have been formed to address a variety of issues related to the plan, from science, to tree canopy, land management, financing, and more. Visit the Cheverly Green Infrastructure Plan website for details and links to information and resources about green infrastructure plans and their benefits for communities at: <http://cheverlygreenplan.googlepages.com/home>.

LEAF COLLECTION **PROCEDURES**

Vacuum Leaves: Every street in Cheverly is scheduled for at least 2 vacuuming sweeps.

Rake leaves between the curb and sidewalk - not on the street or sidewalk.

- Keep leaves free of twigs, branches, metal, concrete and other debris that can jam or damage the equipment.
- Please do not park cars on the street on the assigned collection day.

Bag Leaves: Yard waste is collected on **MONDAYS**. Put bags at the curb on Sunday evening. Use **CLEAR PLASTIC BAGS** (sold at Town Hall or Public Works \$5 for 50 bags). Yard waste includes leaves, grass, brush, twigs, etc. Do not put any dirt, rocks, or other trash/debris in these bags.

If you have any questions, please call Public Works at 301-773-2666.
